Stroll the Avenue

Members of the community are invited to attend the annual "Stroll the Avenue" sponsored by the Fountain Hills Chamber of Commerce on Saturday, December 7th. The event begins at 5:30 p.m. when the holiday lighting on the Avenue of the Fountains is turned on for the first time to create a winter wonderland, courtesy of the Town of Fountain Hills. Merchants along the Avenue are encouraged to stay open for early holiday shoppers. There will be carolers, lights, candy, as well other activities to put you in the holiday mood.

At 6:00 p.m. Santa Claus arrives, not by sleigh, but on a bright red fire truck! Santa is available for a short time to meet with the kids of Fountain Hills before returning home to the North Pole. The Chamber Ambassadors also attend, walking among the many residents and visitors handing out candy. Come on out and enjoy a good time with friends and neighbors as the holiday season begins.

Youth Basketball League

Kids will gain knowledge of the game of basketball, the concept of teamwork, and learn sportsmanship through this program. The \$60 cost per player includes a team shirt, equipment, supervision, officiated games, and player awards. Games will be played on Saturdays, February through April, 2003 at the Fountain Hills High School Gymnasiums.

Volunteer coaches and assistant coaches are needed for the league, and all coaches will receive National Youth Sports Coaches Association certification. Applications are available at Parks and Recreation for anyone interested in volunteering.

Open registration begins November 4th at the Parks and Recreation Office during normal business hours. Faxed and phone registrations will NOT be accepted, and payment must be in cash or check. Participants who register after the December 20th deadline will be placed on a waiting list, and may be placed in the league depending on availability.

ARE YOU A PART OF BLOCK WATCH?

The Fountain Hills Marshals Department is the host agency for the Block Watch program in Fountain Hills. Block Watch is a crime prevention program that enlists active participation of residents in cooperation with law enforcement in neighborhoods to stop crime before it happens.

The Block Watch program involves neighbors getting to know each other. Once citizens share basic information with each other, a sense of familiarity results. Citizens become familiar with the normal routines in their neighborhoods. Neighbor schedules, vehicles, family members and friends become routine sights. Once that is in place, the suspicious and unusual activity in a neighborhood is recognized. That is the information law enforcement wants reported. The Block Watch program also uses the implementation of crime prevention techniques such as home security and operation identification.

If you would like to start a block watch on your street or neighborhood, call the Fountain Hills Marshals Department at 837-8800 and ask for Deputy Tony Tate. The program is free, effective, and easy to get started.
